

HEALTH, SAFETY, ENVIRONMENT & 5S (HSEH) POLICY

GS Paperboard & Packaging Sdn Bhd, in Kuala Langat, Klang, Sungai Bakap and Yangon (Myanmar); are committed to conduct all operations in a responsible manner, towards prevention of pollution, injury, ill health and free from recognized hazards and protect environment. We respect the Health, Safety, Environment and 5S (HSEH) needs of our employees and all stakeholders. We will ensure and committed all applicable HSE laws, regulations and others applicable compliance obligations are fully complied with.

We support this policy of committed continually improving Health, Safety and Environmental Management System (HSEMS) to enhance our environmental, health and safety performance by committing financial, technological, physical and knowledge resources to:

Generate and periodically review HSEH target and objectives and to conduct self-assessments of HSEH performance regularly.

Systematically, reduce and eliminate HSEH significant impact and risks related to our activities, operations, workplace, products and services.

Plan, design and modify equipment and processes to minimize environmental significant impacts, health or safety hazards and risks.

Promote employees' active participation in the prevention of work-related accidents and occupational ill health, and to be committed in pollution prevention activity.

Heighten the culture of resource conservation, through efficient use of raw material, natural resources, electricity, water and, as far as reasonably practicable recycle our refuse.

Strive to control and reduce discharges and wastes related to our operations, products and services.

Ensure and communicate to all employees and those working for GSPP to conduct their work in a healthy, safe and environmentally responsible manner.

House our human capital in our offices and manufacturing facilities which is healthy, safe, environmentally friendly & highly conducive to a level surpassing business.

Sia Boon Soon
President
